

Name: _____

Warning

Matching - Mate List

Use at your own risk!

Date: _____

Instructions: 1: Choose the side of your gender and fold the paper in the middle so that the middle numbers are not visible. 2: Tick the characteristics that you fulfil. If in doubt, do not tick! 3: Add up the points in the margin and enter the total at the bottom. 4: Open the paper again and read off from the points in the middle what you are most likely to get up to your score with the opposite sex. **Tip: If possible, the hotness factor should be filled in by a stranger and the other factors by someone you know.**

Points accumulated	Women	Points needed	Men	Points accumulated
	Hotness factor - (appearance of the woman) <i>(Points are only counted if a to g are fulfilled)</i>		Hotness factor - (appearance of the man) <i>(Points are only counted if a to g are fulfilled)</i>	
Interim result:	2.5 <input type="checkbox"/> a. Naturalness <i>(cosmetics, but not too much)</i>	30	a. Full hair <input type="checkbox"/> 2.5	Interim result:
	2.5 <input type="checkbox"/> b. Full hair		b. Athletic physique <i>(incl. tight ass)</i> <input type="checkbox"/> 2.5	
	2.5 <input type="checkbox"/> c. Big eyes		c. Bigger than desirable woman / women <input type="checkbox"/> 2.5	
	2.5 <input type="checkbox"/> d. Full, sensual lips		d. Distinctive lower jaw <input type="checkbox"/> 2.5	
	2.5 <input type="checkbox"/> e. Narrower chin		e. Distinctive chin <input type="checkbox"/> 2.5	
	2.5 <input type="checkbox"/> f. Firm, shapely breasts and a tight ass		f. Well-groomed appearance <i>(no cosmetics, no strong body hair)</i> <input type="checkbox"/> 2.5	
	2.5 <input type="checkbox"/> g. Slim waist		g. Styling <i>(smart, e.g. well-fitting suit)</i> <input type="checkbox"/> 2.5	
	2.5 <input type="checkbox"/> h. Long legs		h. Full, sensual lips <input type="checkbox"/> 2.5	
	2.5 <input type="checkbox"/> i. No wrinkles		i. Not too short legs <input type="checkbox"/> 2.5	
	2.5 <input type="checkbox"/> j. Low fat <i>(but not anorexic)</i>		j. Strong hands <input type="checkbox"/> 2.5	
	2.5 <input type="checkbox"/> k. Smaller than the coveted man / men		k. V-shape of the upper body <input type="checkbox"/> 2.5	
2.5 <input type="checkbox"/> l. Styling <i>(attractive appearance, but not overly made up)</i>	l. Rather small eyes <i>(blue at best)</i> <input type="checkbox"/> 2.5			
3 <input type="checkbox"/>	Self-reliance - she has her own goals, is educated, intelligent and independent. She also likes to spend her time independently.	25	Financial independence - i.e. rich, at least wealthy	<input type="checkbox"/> 10
5 <input type="checkbox"/>	Prudent character - problem-oriented action and no quarrelsomeness.	21	Social status - popular with women and men	<input type="checkbox"/> 6
6 <input type="checkbox"/>	Desire for sex - ideally self-initiating	15	Self-confidence - especially self-assured appearance and good in bed	<input type="checkbox"/> 5
4 <input type="checkbox"/>	Conversational skills - ability to hold a conversation / make small talk <i>(but note the following point)</i>	10	Intelligence - especially in the form of wit, this also includes education	<input type="checkbox"/> 4
4 <input type="checkbox"/>	No chattiness - i.e. doesn't talk too much and also listens sometimes	6	Conversational skills - ability to hold a conversation / small talk, but not chattiness	<input type="checkbox"/> 2
4 <input type="checkbox"/>	Strives for aligned interests - for a pleasant coexistence, the interests of man and woman should at least partially overlap	3	Attention - ability to show interest, to respond to the woman and to follow more or less coherent content over a long period of time	<input type="checkbox"/> 2
4 <input type="checkbox"/>	Younger age - the woman is younger than the desired man.	1	Age - the man is older than the desired woman.	<input type="checkbox"/> 1
Total	*The Matching-Mate List tells you whether and how well you are generally received by the opposite sex. It only asks for a minimum set of characteristics of a person, which never make up the whole person. Individual characteristics can always be the deciding factor.			Total
